Komal Rasal

Java Developer | Java Full Stack Developer

Nashik, Maharashtra | 9156508175 | komalrasal251@gmail.com | LinkedIn

PROFESSIONAL SUMMARY

B.E. Computer Science Engineering student with training in Java Full Stack Development and internship experience in Java development and Data Science. Skilled in Core Java, Advanced Java, Spring Boot, JDBC, SQL, MySQL, JavaScript, HTML, and CSS. Strong foundation in software development concepts, problem-solving, and SDLC, with a willingness to learn and contribute to development teams.

TECHNICAL SKILLS

- **Programming:** Core Java, Advanced Java
- **Backend:** Spring Framework, Spring Boot, JDBC
- **Database:** MySQL, SQL
- **Frontend:** HTML, CSS, JavaScript
- **Concepts:** Java Collections, Agile, SDLC
- **Tools:** Eclipse, VS Code

INTERNSHIP EXPERIENCE

Java Developer Intern

Software Development Team | July 2025 – November 2025

- Worked on Java-based software development tasks.
- Applied Core Java and programming concepts during development.
- Gained practical exposure to software development processes and team collaboration.

Data Science Intern

Softcrowd Technology team **|** 45 Days

PROJECT

College Enquiry Chatbot

Technologies: HTML, CSS, JavaScript, Python

- Provided information about staff details, admission details, and fee structure.
- Used HTML, CSS, JavaScript, and Python for the project.

Driver Drowsiness Detection System

Technologies: Python, OpenCV, Dlib, TensorFlow, MediaPipe

- Developed a computer vision-based system to detect signs of driver drowsiness.
- Used facial and eye-related features to identify potential drowsiness.
- Implemented image-processing and machine-learning techniques using Python.
- Developed a chatbot for providing college-related information.

EDUCATION

- **B.E. – Computer Science Engineering**
  Brahma Valley College of Engineering & Research Institute, Nashik
  CGPA: 7.45 (1st Year) | 7.67 (2nd Year) | 8.85 (3rd Year)
- **HSC –** KTHM College, Nashik |2022
  Percentage: 60%
- **SSC –** Modern Education Society |2020
  Percentage: 87%

CERTIFICATION & TRAINING

- **Java Full Stack Development** — SABEDOR Software India
- **Data Science** — Softcrowd technology Nashik
